

Oral Scoring Guide/Judging Sheet for Model United Nations 2007/2008
Issues and Country

6 Points
Gives outstanding examples with powerful and relevant details providing compelling and comprehensive explanation and closely reasoned analysis of the issues which demonstrates a mastery understanding of the country and issues.

5 points
Gives strong supportive examples, with powerful and relevant details that provide a compelling and skillful analysis. This demonstrates a strong knowledge of his/her country and the issues

4 points
Gives strong supportive examples with consistently relevant and accurate evidence/details providing persuasive explanations and clearly based on a strong working knowledge of is/her country and the issues.

3 points
Appropriate supportive examples with generally relevant and accurate details providing adequate explanations and analysis based on a good working knowledge of his/her country and the issues.

2 points
Response is attempted but is limited by inadequate or inaccurate evidence/details and weak analysis. Does not seem to have a clear understanding of his/her country or the issues.

1 point
Unsupported generalizations, irrelevant details, lacks the ability to analyze the issues and appears to have very little understanding of the country he/she represents as well as little or no knowledge of the issues.

Directions: A minimum of three Judges with each student. There is a possible 18 points with three judges. A student must earn at least a 9 to pass the oral credentials process. Student must also provide an agenda topic worksheet for a problem with his/her committee.
