- 23 10. Declares accordingly that social media must have censorship to protect citizens.
- 24

Committee: Human Rights

Topic: Free Speech

Proposed By: Colombia

THE GENERAL ASSEMBLY,

- 1 *Aware* of the false information that is being spread all across the world on social media,
2 *Concerned* about finding a way to stop false information from spreading all over the internet,
3 *Recognizing* the things that other countries are doing to stop false information from spreading,
4 they take their ideas to reduce the amount of fake information that is spread on social media,
5 *Acknowledging* the problem, the United Nations starts to set boundaries on certain things that
6 people can say on the internet,
7 *Recognising* the fines that are going on, people still find a way to anonymously share false
8 information over the internet,
9 *Deeply concerned* about the way that people are getting around the boundaries, the United
10 Nations attempts to fine anybody that spreads false information,
11 *Fully alarmed* of the situation that is happening, the United Nations and the rest of the
12 countries come together to come up with a third party program that checks what everyone is
13 going to post on social media before they post it, it takes them a few years to build this up,
14 *Confident* about their idea, they put it out and hope that it works on stopping false information
15 from spreading on social media,
16 *Appreciating* the third party program, people thank the United Nations and other countries for
17 helping them not get manipulated into thinking that others are correct,
18 1. Directs all of the countries and the United Nations's attention towards this problem so
19 that they can start thinking about different ways to reduce it;
20 2. Having received these boundaries, people still find their way around them and spread
21 more false information, manipulating others into believing that they are correct.

Committee: Human Rights

Topic: Child Brides

Proposed By: Philippines

THE GENERAL ASSEMBLY,

- 1 *Conscious* of the fact that countries choose to ignore the many side effects of a child marriage
2 in order to keep traditions alive,
- 3 *Noting* with regret that many countries continue practicing child marriage even if it is considered
4 illegal,
- 5 *Observing* that countries where child marriage isn't as prevalent have better education rates,
6 and tend to do better off as a whole,
- 7 *Recognizing* that girls are still being discriminated against due to the sexist and religious views
8 that many countries implement,
- 9 1. Acknowledges the goals that the United Nations has for 2030 by implementing laws or
10 rules against child marriage;
- 11 2. Advises that other countries could set rules similar to the Philippines in order to help kids
12 that have gone through child marriage;
- 13 3. Demands that countries should have a certain requirement for the education of a child in
14 order to make sure that girls don't have to rely on their husbands;
- 15 4. Suggests that there should be further investigation on the effects that child marriage has
16 on children and a country in general;
- 17 5. Takes note of the fact that due to many religious beliefs, social status, and economic
18 issues, many people will continue wedding children;
- 19 6. Reiterates that girls should understand their place in society and they are not inferior due
20 to their gender;
- 21 7. Invites the idea that creating a support system would allow for girls to feel comfortable
22 getting out of these forced relationships;
- 23 8. Further requests that women should be taught about their body and their reproductive
24 rights, especially in developing countries;
- 25 9. Also urges that developing countries should try and change their ways because
26 developed countries have a lower child marriage rate.
- 27

Committee: Human Rights
Topic: Police Brutality
Proposed By: Philippines

THE GENERAL ASSEMBLY,

1 *Expressing concern* about the insufficiency of order in police training which leads to police
2 brutality,

3 *Noting* that people all around the world, especially developing countries and people of color,
4 are being affected by police violence,

5 *Acknowledging* that smaller developed countries are more controlled in the sense of weapon
6 usage,

7 *Recognizing* the distrust between police officers and citizens due to police brutality,

8 1. Encourages countries to use money on reforming police training, instead of using the
9 money to invest in police weapons;

10 2. Urges for the United Nations to continue with their study on police brutality and how
11 they can change the system;

12 3. Further resolves the issue of distrust between citizens and police officers;

13 4. Draws the attention to potentially changing the justice system so that people can
14 comfortably step up about their problems, and will be guaranteed a fair trial;

15 5. Strongly advises scientists to continue looking at the reasoning behind police brutality,
16 and the psychological effects behind it;

17 6. Suggests the idea that developing countries and bigger developed countries, should have
18 the same system as smaller developed countries;

19 7. Underlines the idea that police programs should retrain their police officers so that all
20 police systems are on the same page on police rules;

21 8. Introduces the idea of firing police officers or putting them on probation, if they are using
22 unnecessary violence.

23

Committee: Human Rights

Topic: Police Brutality

Proposed By:

THE GENERAL ASSEMBLY,

1 *Aware* that unnecessary force has led to people being injured, permanently disabled, or killed,

2 *Taking into account* the intersection of police brutality's affect and the global struggles
3 caused by racial discrimination and discrimination of marginalized groups,

4 *Guided by* a deep concern for those affected by police brutality as for the breaches in human
5 rights and violations of the right to liberty, security, equal protection under the law, and
6 freedom from discrimination,

7 *Aware* of militarization within police forces across the globe and their exacerbation of
8 police brutality as law enforcement can have access to arsenal weapons,

9 *Recognizing* that international law is not enough to hold local police forces accountable for
10 their actions,

11 *Recalling* Ghana's past history of tensions between both the criminal justice and law
12 enforcement systems and the public wherein law enforcement agencies have performatively
13 aimed to change public opinion to minimize public scrutiny surrounding their acts of
14 injustice and brutality,

15 *Reiterating* the need for accountability as stated by the United Nations Human Rights Council:
16 "public confidence in police and other law enforcement officials is paramount for their ability
17 to perform their functions effectively and depends on, inter alia, their respect for human
18 rights, fundamental freedoms and human dignity of all persons,"

- 19 1. Expresses its appreciation for Ethiopia's Federal Police Commission established in 2000
20 which successfully mandates investigation of police misconduct cases;
- 21 2. Affirms the United Kingdom's strategic improvement of police diversity in recent decades
22 as a means of combating underrepresentation of demographics and the supplemental
23 lessening of the number of autonomous forces to uniquely create a perfect opportunity
24 for initiating dramatic national changes;
- 25 3. Encourages the United Nations to use militarization funding gathered from itself and
26 member nations to increase funding of the Ministry of Peace to thus expand its scope
27 of impact from Ethiopia to an international level;
- 28 4. Recommends that the United Nations assist nations to implement more careful
29 oversight and accountability forces;

30
31
32
33
34
35
36

5. Reminds the United Nations that a high standard of education for becoming a law enforcer is an absolute need in order to fight discriminatory and unlawful brutality;
6. Requests that the United Nations fabricate a globalized police reform by sanctioning every nation to provide a new commission similar to the Ministry;
7. Resolves that this commission can alternatively be fabricated by way of increased funding of the Ministry of Peace as stated in clause 3.

Committee: Human Rights
Topic: Police Brutality
Proposed By: The Netherlands

THE GENERAL ASSEMBLY,

1 *Concerned* by the prevalence of police brutality that violates the Declaration of Human
2 Rights, which is often done unlawfully and can lead to death,

3 *Condemning* the use of unlawful force by law enforcement officers,

4 *Aware* that developing nations may not have the proper means of punishing individuals,

5 *Recognizing* nations' efforts to limit such unlawful use of lethal force by extensive
6 training programs,

- 7 1. Mandates all member states and their political subdivisions to develop comprehensive
8 training programs, focusing not only on the practical side of law enforcement, but
9 also the nuanced side of law enforcement with psychological and social training to
10 equip incoming officers with the ability to navigate the job thoroughly;
- 11 2. Requires that all current law enforcement officers get retrained with these newly
12 devised programs;
- 13 3. Advocates for lower level officers to undergo a comprehensive training program that lasts
14 no less than a year, while higher-ranking officers have an extended program of up to 4
15 years;
- 16 4. Urges for member states with thorough training programs to extend assistance in
17 developing nations in creating a comprehensive training program, to uphold human
18 rights in these nations.

Committee: Human Rights

Topic: Arbitrary Detention

Proposed By: Venezuela

THE GENERAL ASSEMBLY,

1 *Acknowledging* the fundamental principle that no one shall be subjected to arbitrary
2 detention or arrest, as outlined in Article 9 of the Universal Declaration of Human
3 Rights,

4 *Recognizing* the prevalent problem of arbitrary detention internationally, as seen in the
5 forcible imprisonment of Syrian citizens and arbitrary raids on Romany settlements in
6 Russia,

7 *Emphasizing* the upholding of global human rights standards and the promotion
8 of honoring the rule of law of preventing arbitrary detention,

9 *Affirming* the position of the United Nations Working Group on Arbitrary Detention is to
10 advocate for adherence to the Universal Declaration of Human Rights and investigate
11 potential violations relating to arbitrary detention,

12 *Reaffirming* all member states commitment to protect and respect the dignity and
13 inherent rights of individuals, regardless of their state of origin or political affiliation,

14 *Acknowledging* the significance of dialogue and compromise between member states
15 in addressing the international origins of arbitrary detention,

16 1. Calls upon all United Nations member states to exercise effective measures to
17 eliminate arbitrary detention within their sovereign borders, thus ensuring
18 compliance with the UDHR guidelines;

19 2. Urges individual member states to cooperate with the United Nations Working
20 Group on Arbitrary Detention, yielding required information and aiding in
21 investigations of alleged cases if necessary;

22 3. Encourages member states to reform domestic policies that potentially
23 contribute to arbitrary detention rates, including but not limited to, civilian
24 surveillance, excessive governmental force, and prejudiced practices;

25 4. Requests the United Nations Office of the High Commissioner for Human Rights
26 to supply technical support to member states addressing arbitrary detention
27 rates, including but not limited to law enforcement personnel and legal training;

28
29
30
31
32
33
34
35
36
37
38
39

5. Calls upon member states to encourage education on human rights, social diversity, and tolerance within societal bounds, creating a culture centered on protecting individual dignity and freedoms;
6. Urges member states to partake in open dialogue and cooperate at the international and regional levels to combat the fundamental reasons for arbitrary detention;
7. Requests the United Nations Secretary-General to annually report to the Human Rights Council on the progress of implementing this resolution and all progress made in the prevention of arbitrary detention internationally;
8. Decides to remain committed to the matter and to further actions as necessary to ensure the successful implementation of this conclusion.

Committee: Human Rights

Topic: Police Brutality

Proposed By: Brazil

THE GENERAL ASSEMBLY,

- 1 *Recognizing* that roughly 29,000 lives are lost each year due to police forces
- 2 worldwide,
- 3 *Aware* of the statistics that Brazil has the most killings at the hands of police in the
- 4 world, with around 6,000 per year,
- 5 *Understanding* the deeply rooted prejudice and systemic racism that exists within
- 6 every police force,
- 7 *Taking note* of the lack of care that this has been given within Brazil, as well as
- 8 many other countries,
- 9 Having considered applying cut downs and reforming police in Rio de Janeiro as of 2022,
- 10 1. Considers possibly moving forward in giving this issue more attention, as the
- 11 United Nations is actively conducting research with our citizens;
- 12 2. Doesn't urge this as a main issue, as there are other pressing issues to be
- 13 addressed first;
- 14 3. Emphasizes observing racism within our government, especially in the high
- 15 death rates of black people in low income areas through the police;
- 16 4. Affirms the work being done to further include diversity in every branch of
- 17 government;
- 18 5. Reinstating the low importance of police brutality and reformation within
- 19 our country.

Committee: Human Rights
Topic: Free Speech
Proposed By: The United Arab Emirates

THE GENERAL ASSEMBLY,

1 *Expresses concern* that countries aren't allowing their people to have full access to social
2 media, as well as expressing their opinions to the world,

3 *Noting* that the freedom of speech is a powerful thing that everyone should have access to,
4 *Fully aware* of certain countries limiting, or not allowing people to have any access, like Syria
5 which only has about 1% of their freedom liberties,

6 *Acknowledges* how the United Nations has stated that they, "want social media platforms to
7 do their human rights due diligence and review their business models against the guiding
8 principles on business and human rights."

9 *Having considered* that it aligns with SDG's #5 Gender Equality, #10 Reduced inequalities, #11
10 Sustainable Cities and Communities, and #17 Partnerships for the goals, these goals allow
11 people to communicate with each other,

- 12 1. Strongly encourages countries to give all their people access to social media and other
13 forms of communication;
- 14 2. Urges that countries recognize that everyone needs to be entitled to their own
15 opinion, and speak about it;
- 16 3. Authorizes the United Nations to take the initiative to enforce laws allowing everyone to
17 have the freedom of speech and communication through social media;
18 a. All people can report violations to whatever section of the UNdeems necessary,
19 and said section must look it over and takeaction;
- 20 2. The Security Council must check every country's social media andfree speech by going to
21 the country and understanding where thecountry needs support;
- 22 4. Notices that NGOs and other businesses should listen to everyone's opinion and
23 proposals regardless of gender;
- 24 5. Encourages countries to keep an eye on everyone's use of social media, and take action
25 if it puts citizens and people in danger:
26 a. If a person is threatening something online, posing to commit a crime, or doing
27 something hazardous, the government should take action;
- 28 6. Recommends countries consider the cybercrime laws in place in the UAE, to be used as
29 an influence for other countries to implement cyber laws.

Committee: Human Rights
Topic: Arbitrary Detention
Proposed By: Slovakia

THE GENERAL ASSEMBLY,

- 1 *Recalling* the creation of The Working Group and their effort to combat arbitrary
2 detention,
3 *Noting* the standards outlined in the Universal Declaration of Human Rights,
4 *Deeply concerned* that arbitrary detention still poses a major human rights
5 violation internationally,
- 6 1. Calls upon all to reiterate their agreement, as transcribed in the
7 Universal Declaration of Human Rights, to make an effort to prevent
8 and end arbitrary detention, giving all individuals a fair trial and due
9 process;
 - 10 2. Encourages all to provide effective training and resources to law
11 enforcement and other judicial officers, leading to effective measures
12 preventing arbitrary detention;
 - 13 3. Urges all to participate in productive international conversations, creating an
14 understanding of the root causes of arbitrary detention, which may include political,
15 economic, and social injustices;
 - 16 4. Encourages the amendment, when needed, of laws, policies, and
17 practices that contribute to the continuation of arbitrary detention and
18 do not meet the standards set by the Universal Declaration of Human
19 Rights;
 - 20 5. Calls upon all to collaborate with the United Nations and other relevant and
21 dependable organizations, such as The Working Group, to build new effective tactics
22 to combat arbitrary detention and violations of human rights;
 - 23 6. Decides to remain actively seized of the matter.

Committee: Human Rights

Topic: Child Brides

Proposed By: Egypt

THE GENERAL ASSEMBLY,

1 *Fully Aware* that child brides exist and are a huge global concern and that in least developed
2 countries 40 percent of girls are married before age 18, and 12 percent of girls are married
3 before age 15,

4 *Emphasizing* that this problem exists in great measure because there are non-existent or very
5 weak laws against this practice,

6 *Deeply Concerned* that lots of the times the child brides are a consequence of the
7 economical problems in less developed countries and these families are benefited by
8 making their kids marry someone to leave the responsibility of their children to the
9 husband or wife's family, so in this way they don't have to pay more expenses,

10 *Deeply Conscious* that politicians don't want to do anything against it because it would ruin
11 their reputation since families that have a lack of resources are benefited by the practice of
12 child brides, also it is a big part of some cultures',

- 13 1. Invites the use of international platforms to show people the consequences of
14 this practice;
 - 15 2. Encourages providing support for programs focused on girls education;
 - 16 3. Calls for offering financial incentives to those countries that demonstrate that this
17 practice is getting reduced;
 - 18 4. Recommends a minimum set of suggestions or laws for countries to follow them;
 - 19 5. Calls upon teaching law enforcement in the affected countries to implement rules against
20 child marriage.
- 21

Committee: Human Rights
Topic: Child Brides
Proposed By: India

THE GENERAL ASSEMBLY,

- 1 *Exposing* the prevalent problem of child marriage across the world,
- 2 *Acknowledging* the devastating side effects that child marriage has on developing
- 3 children,
- 4 *Hoping* that countries acknowledge the importance of abolishing child labor,
- 5 1. Encourages members of the United Nations to acknowledge and work towards ending
- 6 child marriage;
- 7 2. Understands that the child marriage issue goes beyond childrens rights, but also into
- 8 gender equality, reproductive rights, poverty, and other critical human rights issues;
- 9 3. Recognizes the important cultural history that child marriage is rooted in;
- 10 a. Movements should be made to explain how cultures have shifted over time to fit
- 11 more modern issues and that child marriage is another issue that cultures should
- 12 move away from;
- 13 4. Suggests the use of widespread education measures in local communities;
- 14 a. Including strategies to educate both parents and communities on cultural changes,
- 15 how to spot child marriage and abuse, and how to end child marriage,
- 16 b. Providing communities with proper sexual education and life skills training,
- 17 c. Providing a minimum 12 years of education for children,
- 18 d. Making widespread aid available to those who think they are in a child marriage or
- 19 are at risk of being in a child marriage;
- 20 5. Supports the furthering of economic support to families that feel they cannot properly
- 21 support their children;
- 22 6. Mandates the minimum marriage age be raised to 18 for all countries;
- 23 7. Endorses passing of laws be passed to protect children's rights and prevent them from
- 24 entering child marriages including:
- 25 a. Mandatory recording of marriage and child births,
- 26 b. Outlawing of non-consensual marriage;
- 27 8. Demands that laws implemented to protect children from child marriage are upheld.

Committee: Human Rights
Topic: Police Brutality
Proposed By: Rwanda

THE GENERAL ASSEMBLY,

- 1 *Recognizing* that ~29,000 lives are lost annually at the hands of police worldwide,
- 2 *Observing* the steady increase of inhumane treatment from law enforcement,
- 3 *Deeply regretting* previous instances in Rwanda of a failure to properly investigate
- 4 officers responsible for the death of Congolese refugees,
- 5 *Keeping in mind* the history of Rwandan officers using excessive force when enforcing
- 6 lockdown measures and failure to limit the use of firearms,
- 7 *Emphasizing* the increasing negligence of political officials all over the world to take
- 8 accountability for instances of police brutality,
- 9 *Confirming* the lack of continuity between national law and international standards
- 10 including territories in the United States and Mexico,
- 11 *Understanding* the lack of international willingness and failure to follow the previously
- 12 published United Nations “Handbook on police accountability, oversight and integrity”,
- 13 1. Suggests all countries review their national standards for law enforcement and
- 14 update them to match international law;
- 15 2. Calls for revamped efforts to eliminate corruption in police forces, especially those of
- 16 the Philippines, Brazil, and Venezuela through the discharging of officers;
- 17 3. Urges for financial assistance for countries working to eliminate police brutality;
- 18 4. Recommends implementing investigations and criminal tribunals for countries failing to
- 19 decrease cases of police brutality;
- 20 5. Encourages the implementation of political sanctions to punish nations that restrict
- 21 the freedom of peaceful assembly and right to fair trials;
- 22 6. Considers restricting participation in international trade and financial assistance for
- 23 nations who fail to abide by international standards, determined through a system
- 24 of annual international review.

Committee: Human Rights

Topic: Child Brides

Proposed By: Finland

THE GENERAL ASSEMBLY,

- 1 *Reminding* all nations to consider the risk of sexual and physical violence against child brides,
- 2 1. Recommends further financing for the "Save the World" campaign, specifically for the
- 3 educational prosperity of developing nations;
- 4 2. Condemns both cultural and financial decisions to marry off child
- 5 brides;
- 6 3. Requests that all nations ban all types of child marriage;
- 7 4. Reaffirms that child pregnancy is more likely to result in death. Babies born to
- 8 adolescent mothers are at a higher risk of being underdeveloped and may experience
- 9 health complications;
- 10 5. Reiterates how child brides represent the number one killer of girls aged 15 to 19
- 11 worldwide;
- 12 6. Empathizes that child brides are more likely to experience sexual and physical
- 13 violence;
- 14 7. Encourages women's empowerment for them to stay in school and delay marriage until
- 15 they have successfully transitioned into adulthood.
- 16

Committee: Human Rights
Topic: Arbitrary Detention
Proposed By: The Netherlands

THE GENERAL ASSEMBLY,

- 1 *Acknowledging* the issue-solving potential of the United Nations Working Group on Arbitrary
2 Detention and the precedent it has established, however, notes how more must be done,
3 *Recognizing* that any further form of international legal oversight could be considered
4 invasive and an attempt to limit sovereignty,
- 5 1. Advocates for continued adherence to pre-established human rights standards on
6 arbitrary detention;
 - 7 2. Calls for full cooperation from the international community in resolving this issue;
 - 8 3. Encourages member states to be open to the prospect of some form of unbiased judicial
9 oversight to prevent any sort of arbitrary detention;
 - 10 4. Requests relevant civil society organizations to communicate with member states to
11 maintain judicial transparency;
 - 12 5. Invites committee members to make beneficial and relevant amendments to
13 further aid in resolving this topic.
- 14

Committee: Human Rights

Topic: Police Brutality

Proposed By: Finland

THE GENERAL ASSEMBLY,

- 1 1. Encourages police forces to have harsher and more training towards police officers
2 to stop abusing power;
- 3 2. Introduces clear standards for policing, improving police training and understanding,
4 what constitutes as misconduct and/or unlawful use of force;
- 5 3. Make rules and punishments as clear as possible for police officers regarding brutality
6 and other things;
- 7 4. Recommends that rules are made similar to the US' regarding these problems and makes
8 punishments for officers depriving citizens of their rights, or being too harsh in general;
- 9 5. Urges having laws prohibiting the discrimination against gender, race, color, religion,
10 mental capability, etc., and have the officers study these to know laws;
- 11 6. Establish public awareness about brutality and make programs to easily report these
12 problems of misconduct to pressure officers;
- 13 7. Puts into place no tolerance rules against unlawful use of authority and make
14 officers have serious penalties against these problems;
- 15 8. Implements laws saying to use lethal force and punishment only as last resort to
16 resisting arrest, using violence, or under other circumstances;
- 17 9. Mandates and provide sufficient funding for body cameras to check when
18 problems and complaints arrive and look at them regularly to stop officers
19 committing unlawful use of authority;
- 20 10. Create a regime for law enforcement officer as to view their actions and jobs as
21 defending combat if it comes to that, but otherwise be gentle and do not use force
22 unless necessary.

Committee: Human Rights
Topic: Child Brides
Proposed By: Ghana

THE GENERAL ASSEMBLY,

1 *Worried* about the detrimental effects that marrying at a young age can have on girls,
2 *Aware* that these effects are due to the societies and cultures that these girls grow up in and
3 are fueled by economic instability, poverty and hunger,

4 *Recognizes* the efforts many nations have gone through to help prevent this issue through
5 actions such as providing humanitarian aid and education surrounding child marriages,

- 6 1. Urges countries to adopt the ideals of sustainable action goals to help prevent
- 7 child marriage;
- 8 2. Condemns the exploitation of young girls and understands that many families see
- 9 these marriages as a way out of poverty;
- 10 3. Requests that members educate girls and their families on the detrimental effects of
- 11 child marriage through the Global Program to Accelerate Action to End Child Marriage;
- 12 4. Urges developing countries to embrace the Global Program to Accelerate Action to End
- 13 Child Marriage to find sustainable ways for families to gain access to what they need;
- 14 5. Calls Upon nations to commit to Sustainable Development Goals as they commit to
- 15 increasing the education of girls and young women to limit child marriage;

Committee: Human Rights
Topic: Arbitrary Detention
Proposed By: Slovakia

THE GENERAL ASSEMBLY,

1 *Recalling* the 3 articles of statements made by the United Nations on in their effort to
2 end police brutality worldwide,

3 *Noting* the unaccountability inside police departments being held for fellow law
4 enforcement officers,

5 *Also Noting* underlying character flaws in law enforcement officers,

6 1. Demands the end of police brutality and the start of an uncorrupt law enforcement
7 inside Slovakia;

8 2. Strongly encourages The United Nations to forward a global law put in place for police
9 departments stating that and investigation of all civilian deaths are mandatory;

10 3. Requests that said law would also force a monthly report transcribed by the
11 departments relaying details of all case files held in each department;

12 4. Urges the United Nations to make any department violation of this law aware of
13 their rights it would be deemed a government violation and then tried in the court
14 of law;

15 5. Requests another law inserting a police code that forces every law enforcement officer
16 worldwide to wear body cams with proper audio device;

17 6. Urges the United Nations to make any violator (for example turning off said recording
18 device on duty) this law aware of their rights the action would be deemed a

Committee: Human Rights
Topic: Child Brides
Proposed By: China

THE GENERAL ASSEMBLY,

1 *Emphasizing* that the global child bride rate is 21%, leaving one in every five girls a victim to the
2 practice;

3 *Reminding* all counties that the United Nations has called for an end to all child marriages
4 by 2030 under topic 5.3 of Sustainable Development Goal 5, Gender Equality,

5 *Recognizing* that child marriage is a gender-based issue, in which girls are six times more likely
6 to be impacted by the forcible practice than their male counterparts,

7 *Affirming* that child marriage is a human rights violation that severely declines a young girl’s
8 livelihood, whether it be through economic burdens, abusive dynamics, or negatively
9 impacted health,

10 *Deeply concerned* with how child marriage can negatively impact one’s education, in which
11 they are often forced to leave their studies to prematurely join adulthood and provide for their
12 families,

- 13 1. Urges all member states set a minimum marriage age of 18 into law so that children,
14 and more specifically young girls, can not legally face the burden of child marriage;
- 15 2. Encourages that member states heavily focus on the impact that child marriage has on
16 education, and therefore establish proper funding — including sponsorships for
17 nations with developing economies — to improve education systems and their
18 accessibility;
- 19 3. Incites that while child marriage is often caused by gender inequities, issues of gender-
20 based violence and harmful gender norms should remain separate from this issue;
- 21 4. Requests that in promoting an end to child marriages worldwide, member states
22 remain cautious so as to not portray young marriages as something of concern, as
23 there are benefits to women marrying young due to their health status and
24 childbearing ability;
- 25 5. Declares accordingly to strive towards creating preventative measures such as
26 household funding to decrease the prevalence of this issue, as opposed to focusing on
27 reparations.

Committee: Human Rights

Committee: Human Rights
Topic: Free Speech
Proposed By: The Republic of Haiti

THE GENERAL ASSEMBLY,

- 1 *Aware* that the use of social media has been increasing at a rapid rate over the past few
2 years,
- 3 *Recognizing* that the main sources of social media across the world are owned and controlled
4 by MEDCs,
- 5 *Noting* government use of censoring and restricting social media posts,
- 6 1. Requests that government officials of all countries should have a way to censor
7 inappropriate posts;
- 8 2. Urges MEDCs to reveal more about the algorithm that feeds users' posts;
- 9 3. Emphasizes that social media owners should develop a way to flag content as
10 inappropriate for the general public;
- 11 4. Insists that social media should be monitored in some way by governments of all
12 countries;
- 13 5. Calls upon United Nations member states to contribute to stopping
14 disinformation;
- 15 6. Suggests that governments should put aside the total right of free speech to maintain
16 prosperity in their country;
- 17 7. Urges that users who intentionally post and spread disinformation face fines and
18 possible jail time depending on the severity of the post;
- 19 8. Encourages users to learn to listen to government posts over random users.

Committee: Human Rights

Topic: Police Brutality

Proposed By: The Republic of Austria

THE GENERAL ASSEMBLY,

1 *Concerned* that the victims of police brutality will live the rest of their lives with poor
2 mental health and just because of police brutality these victims will have a harder time
3 being able to uphold day to day life,

4 *Recognizing* that police brutality has decreased trust in communities,

5 *Aware of* the fact that police brutality affects the confidence in law enforcement institutions,

6 *Taking into account* that there are too many killings from police because the police force
7 isn't properly taught about restrictions and the government doesn't enforce proper
8 punishment in some cases,

- 9 1. Urges that the United Nations needs to establish public awareness programs that help
10 raise awareness towards mistreatment and the causes of it;
- 11 2. Suggests that the police force clothing/suits have implemented body cameras to
12 ensure transparency and accountability;
- 13 3. Advises that police force receives proper training for a longer period of time to
14 ensure they are ready for outgoing action;
- 15 4. Further advises that police are taught about what constitutes misconduct, and
16 appropriate times to use force;
- 17 5. Recommends that there should be serious penalties to those who mistreat someone;
- 18 6. Further recommends this because the less and less penalties there is for mistreatment,
19 the more people take advantage of mistreating someone;
- 20 7. Encourages the United Nations to strengthen internal investigation units.

Committee: Human Rights

Topic: Police Brutality

Proposed By: Republic of Costa Rica

THE GENERAL ASSEMBLY,

- 1 *Realizing* that over 30,000 people were killed from police brutality in 2023,
2 *Understanding* that police brutality is a worldwide problem, and takes place in
3 most United Nations countries,
4 *Recognizing that* the United Nations, on the 11th of August, 2021, made a joint
5 statement, to stop police brutality, and to hold police officers accountable for their
6 actions,
7 *Aware* that LEDCs might not have the resources to support an act against police
8 brutality,
9 *Acknowledging* that depending on public access to weapons, countries will have
10 different disciplinary procedures in place,
11 1. Encourages that all United Nations countries hold police accountable for their
12 misdeeds relating to police brutality by disciplinary procedures;
13 2. Requests that all United Nations countries self-assess and identify the
14 occurrence of police brutality in their communities;
15 3. Urges that at least ten sessions be held a year for current police officers to
16 review the training that they studied at law school;
17 4. Suggests that LEDCs do at least seven trainings for police officers each year to
18 review the training that they studied at law school;
19 5. Recommends that countries create expectations and limits to the amount of
20 force police can use depending on the amount of control the police have over
21 their people;
22 6. Insists that by the year 2030, the number of deaths from police brutality will be
23 reduced by 50% worldwide;
24 7. Requests that all police that abuse their power are punished by:
25 a. Having to do many hours of training,
26 b. Being fined an amount of money, depending on the damage done by the
27 brutality,

- 28 c. Being monitored for a year by high status officers, after the brutality to
29 refrain from more violence;
- 30 8. Urges that countries keep more data on the amount of force that police
31 are using;
- 32 9. Asks that all data on force used by police is shared with the United
33 Nations;
- 34 10. Calls upon countries to clarify laws to make sure that force is the last resort
35 for police, and that force only takes place to prevent severe injuries or death;
- 36 11. Condemns 'warrior training' done by the police and similar training that
37 consists of combating enemies;
- 38 12. Suggests that countries provide more body cameras for the police, that way the
39 police can review what happened at scenes that included force from the police.

Committee: Human Rights

Topic: Police Brutality

Proposed By: Republic of Haiti, Canada, Costa Rica

THE GENERAL ASSEMBLY,

1 *Acknowledging* that some countries do not discipline their law enforcement, which has
2 near impunity,

3 *Aware* that some nations do not hold as much power over their law enforcement as others
4 and many misconduct cases are kept and resolved in secret,

5 *Recognizing* that the global community should be made aware and educated on how to deal
6 with experiences, and that's made by law enforcement,

- 7 1. Recognizes that police brutality has become a widespread human rights issue that
8 needs attention;
- 9 2. Condemns Brazil to take action against police brutality as officers killed more than 6,000
10 people and raise awareness;
- 11 3. Asks the United Nations to help raise awareness and educate law enforcement
12 personnel on the consequences and effects of police brutality globally;
- 13 4. Insists countries take action and recruit a force that resembles its community, which
14 can help the community trust in its law force, creating less tension;
- 15 5. Requests more countries to reform police practices, which will change improving hiring
16 and training practices and establishing clear standards;
- 17 6. Reiterates the necessity that more countries be made aware of the effects of
18 police brutality, and the effects on the community;
- 19 7. Suggests that more law enforcement personnel should be trained and educated on
20 diversity and free speech, as well as on how to deal with protesters and other
21 public speeches;
- 22 8. Encourages more countries to educate their police force and remain in power
23 over discipline.

Committee: Human Rights
 Topic: Free Speech
 Proposed By: Sultanate of Oman

THE GENERAL ASSEMBLY,

1 *Concerned* that false news get spread through social media to people that think its fact
 2 and spread more,
 3 *Acknowledging* that it gets through review systems and that the governments cannot stop
 4 that,
 5 *Recognizing* the efforts of other nations to stop false information,
 6 *Noting* that mid economically developed countries look to the internet a as place of
 7 information and that they believe that it made it through their government so they see that
 8 and start to trust their governments less,

- 9 1. Urges nations who do not have laws surrounding free speech to create laws and
 10 regulations for false news and if people go against those regulations you can create
 11 punishments like fines and or jail time;
- 12 2. Encourages that nations work on improving their content regulation process so that
 13 people can feel safe on social media and feel that they can trust their government;
- 14 3. Requests that nations create a course or a class during school to help people
 15 understand what false news is and how to find it on social media so that they can stop
 16 the spread of it on social media especially in less economically developed countries;
- 17 4. Calls upon member states to be vulnerable and be honest with their people and tell
 18 them what false news is and take accountability so that people do not think that
 19 false news is real;
- 20 5. States that nations should punish anyone and everyone who goes against the
 21 regulations set in place by the nation and should not just let them go;
- 22 6. Condemns nations to set more unneeded regulations on social media and instead
 23 wants them to focus on improving their content regulation process instead;
- 24 7. Reaffirms that even though some people don't have access to classes on how to use
 25 the internet that we could get them access to better electronics.

Committee: Human Rights

Topic: Free Speech

Proposed By: Costa Rica

THE GENERAL ASSEMBLY,

1 *Acknowledging* Act 19 of the Human Rights Act that states that “everyone has the
2 right to freedom of opinion and expression; this right includes freedom to hold
3 opinions without interference and to seek, receive and impart information and
4 ideas through any media and regardless of frontiers,”

5 *Recognizing* that views on freedom on the Internet and free speech vary
6 depending on the country,

7 *Noting* that this problem is mostly caused by LEDC’s,

8 *Aware* that false news spreads 70% faster than regular news, and the problem of
9 disinformation is growing and is a global issue,

- 10 1. Affirms That the primary goals are to protect and increase freedom to express
11 thoughts and opinions on the Internet and to ensure that false, misleading and
12 harmful content is limited;
- 13 2. Calls upon member states that are home to the biggest social media companies
14 to create guidelines or rules to force social media companies to reveal the
15 algorithms that determine the prioritization of the content for viewers;
- 16 3. Encourages countries that censor content and restrict access to platforms to
17 open access to the Internet and to let their citizens watch and post on any
18 platform that they want by:
19 a. Allowing the users to use previously blocked social media platforms such as
20 Snapchat,
21 b. Adopting a more mainstreamed app store that isn't personalized for just the
22 country;
- 23 4. Requests that member states are prohibited from blocking content for subjective
24 reasons (for example: that is opinion based such as negative comments about
25 the countries government);
- 26 5. Urges that member states create punishments for people or companies not
27 abiding by the content rules;

28
29
30
31
32
33
34

5. Asks that member states improve on Internet access in their countries by offering connections cheaper or for free;
6. Condemns member states from restricting Internet access past certain hours or to specific groups of people;
7. Insists that member states' governments require social media platforms that are headquartered in their countries to fund and develop algorithms to determine and flag any false information and content generated by AI.

Committee: Human Rights

Topic: Child Brides

Proposed By: Brazil

THE GENERAL ASSEMBLY,

- 1 *Recognizing* child marriages have lifelong consequences for the girls,
2 *Recalling* that there are no updates on the commitment to eliminate child, early and forced

Committee: Human Rights
Topic: Child Brides
Proposed By: Sweden

THE GENERAL ASSEMBLY,

1 *Concerned* about the effects of child marriage including a continuous cycle of poverty, the loss
2 of the right for girls to continue their schooling, the loss of girls choosing who they want to
3 marry, increased domestic violence rates, increased medical complications due to early
4 pregnancy, and female genital mutilation,

5 *Aware* that much of this damage is due to poor economic status and gender inequality
6 being the social norm,

7 *Recognizing* the efforts of many nations and organizations to educate communities in this
8 matter, increase economic support to families, and enforcing laws to protect young girls from
9 becoming brides,
